DESIGNED BY ORES, JANUARY 2012
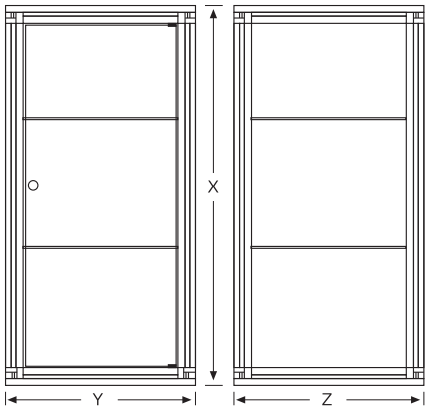

Our new range of portable folding furniture,
The perspex Tower Showcase.
The Units can be used one above the other to create
tower showcases or two units side by side, instead of a **counter**.
Innovative folding showcase units can fold flat for easy transport
and storage.
Simple to disassemble, easy to transport.
2 hinged doors, 4 glare shelves.
Flat packed & individually boxed.
500 x 500 x 2000 mm high.
These folding showcases have a white melamine finish on the base
and top to coordinate in all environments.
